* Village Baking Co is an order only based bakery. Because we do not have a retail location with the opportunity to sell left overs in a batch we unfortunately can only take orders for all regular and large sized dessert items if they are placed at a minimum of 1 dozen per item. Once you have met the 1 dozen minimum you can order in quantities of a half dozen.

* All mini sized desserts must be placed at a minimum of 2 dozen per item. Once you have met the 2 dozen minimum you can order in quantities of a half dozen.
